

**RISE WITH SAP**

## Driving Business Innovation Together

Businesses everywhere face unprecedented change, and **the future will be dictated by those who innovate first.**

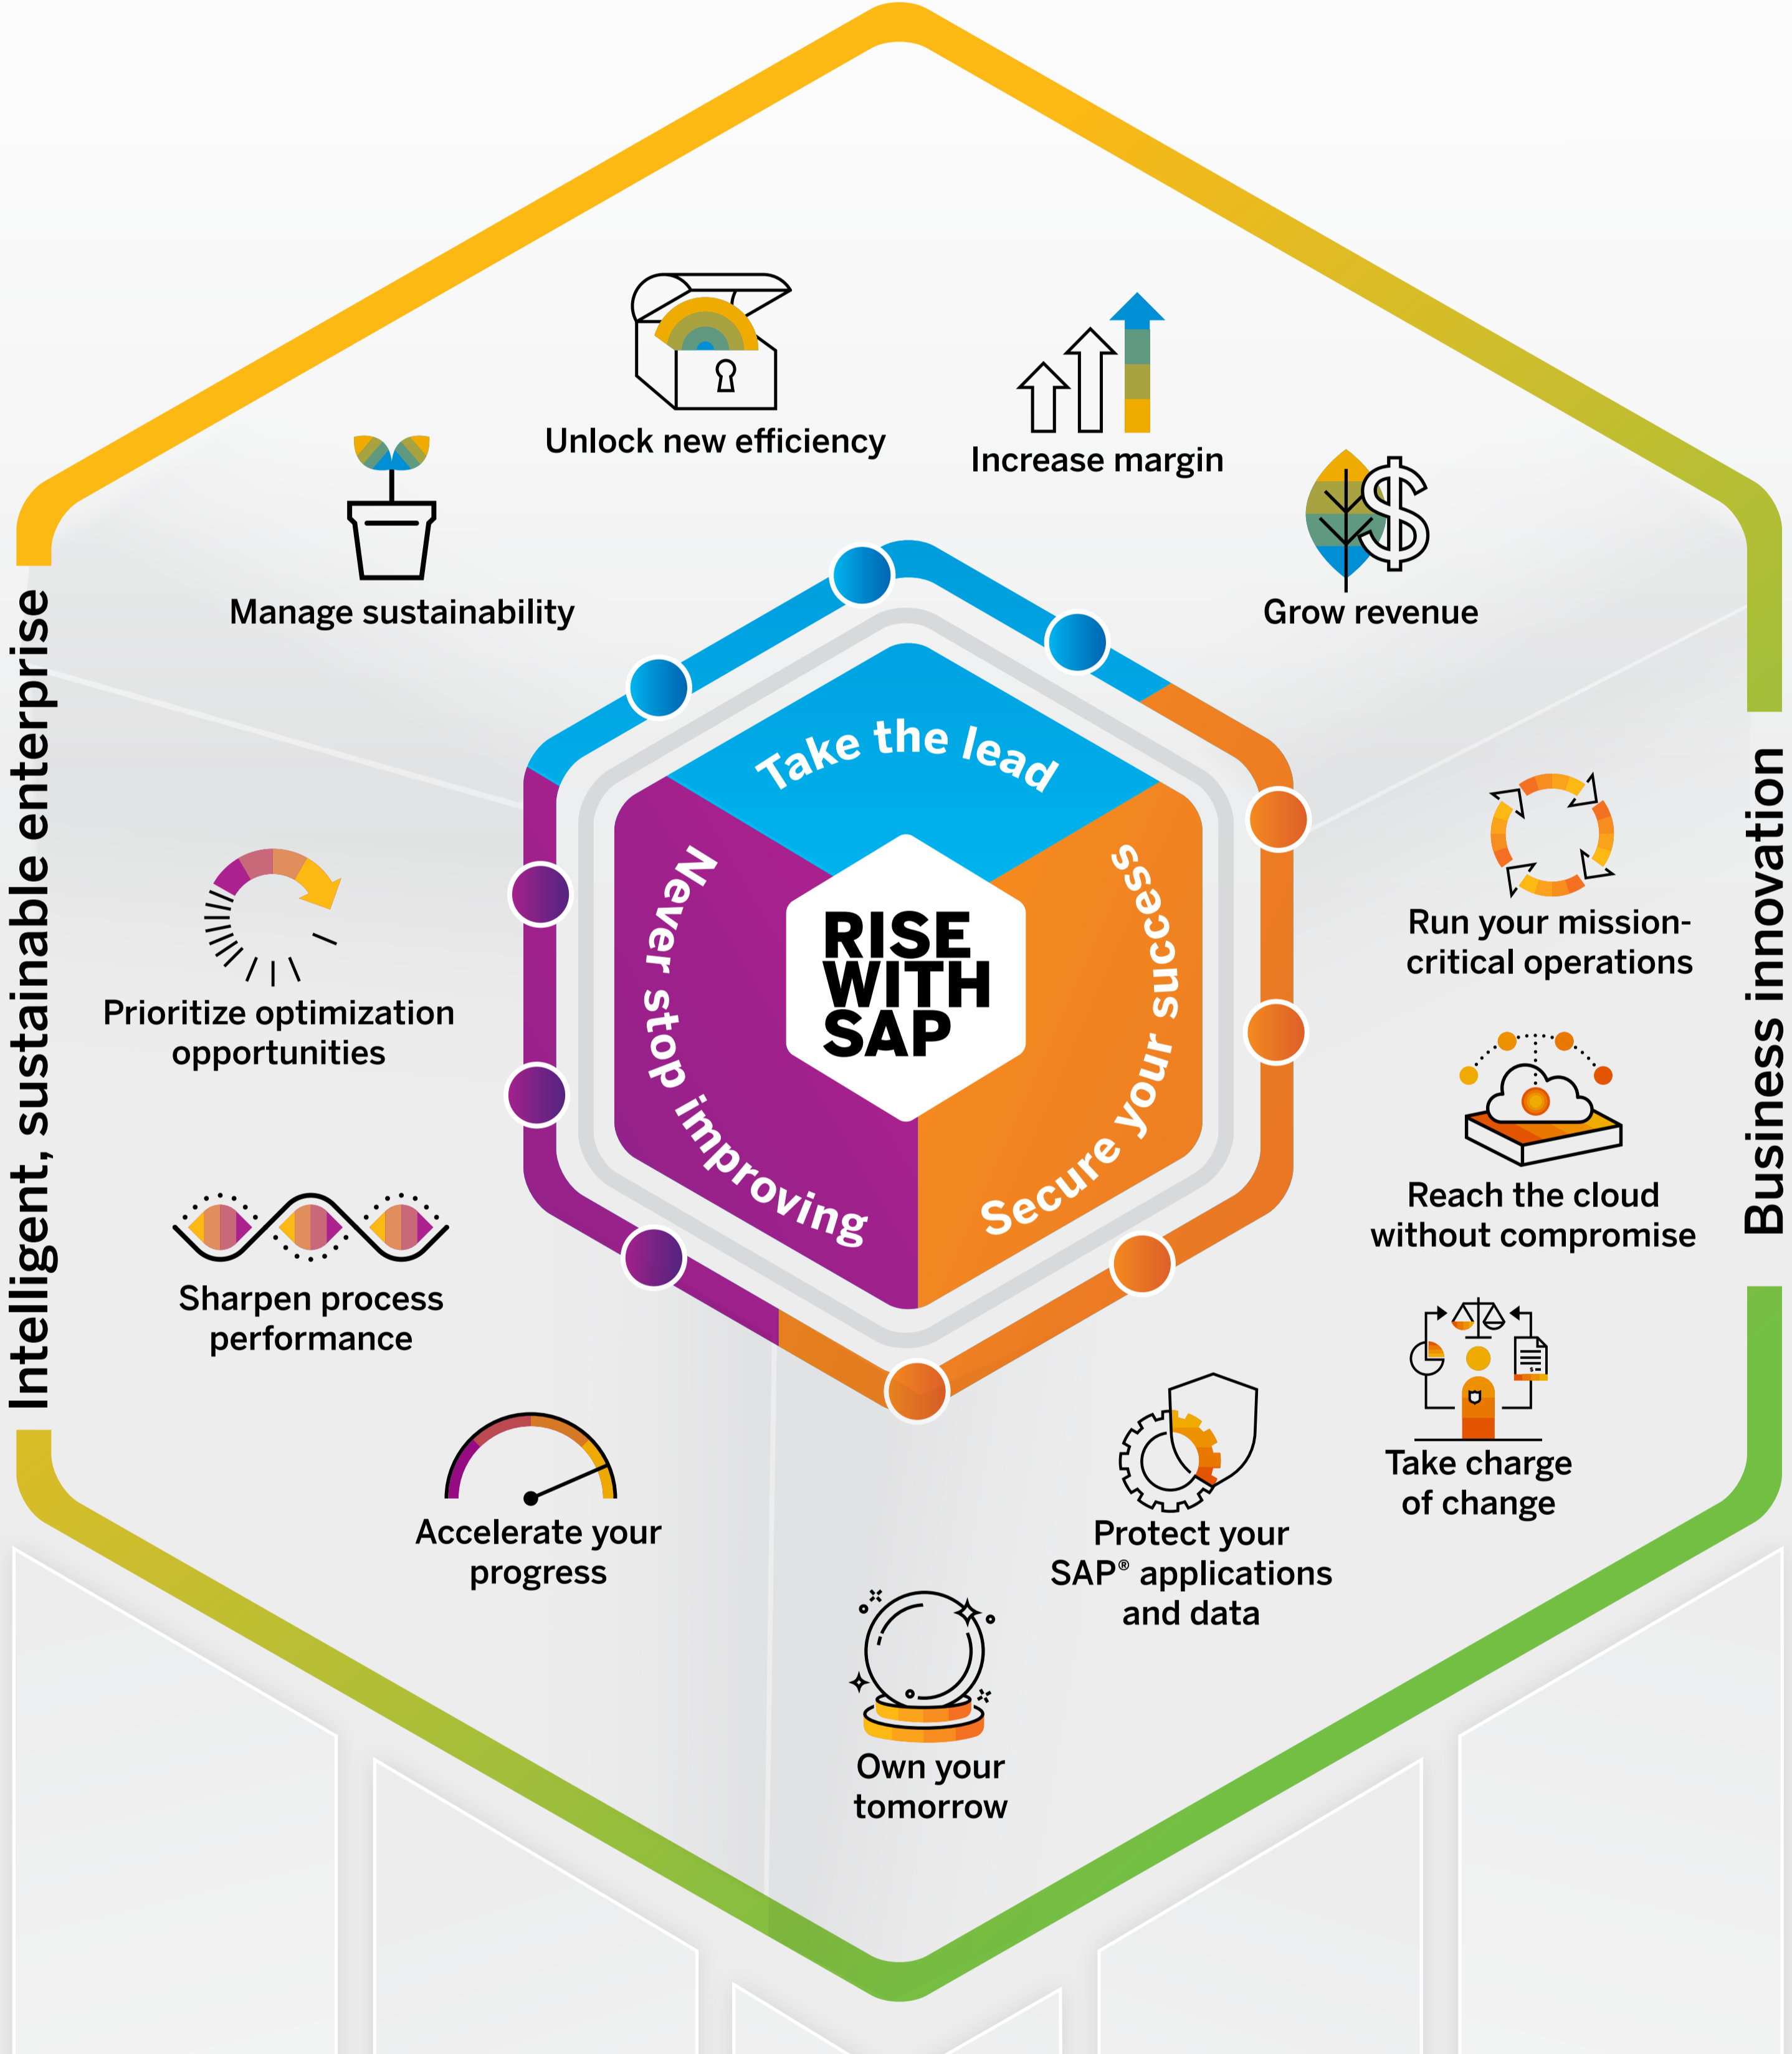

Since 2000, **52% of companies in the Fortune 500** have gone out of business.

From 1955 to 2011, it took Fortune 500 companies an average of 20 years to reach a billion-dollar valuation; **today's digital startups are getting there in four.**<sup>1</sup>

<sup>1</sup>"A Culture of Business Innovation Helps Midsize Companies Out-Pace the Competition." Forbes, February 2022.

## Become an intelligent, sustainable **enterprise in the cloud**

The ones that thrive are the ones that will start the change now. To drive business innovation, you need to develop new business models to avoid disruption in your industry, drive new operational efficiencies to reinvest in your growth, and modernize your mission-critical systems without business risk. RISE with SAP is a comprehensive solution to help you become an intelligent, sustainable enterprise in the cloud.

## Driving Business Innovation Together

Businesses everywhere face unprecedented change, and **the future will be dictated by those who innovate first.**

Since 2000, **52% of companies in the Fortune 500** have gone out of business.

From 1955 to 2011, it took Fortune 500 companies an average of 20 years to reach a billion-dollar valuation; **today's digital startups are getting there in four.**<sup>1</sup>

<sup>1</sup>"A Culture of Business Innovation Helps Midsize Companies Out-Pace the Competition," Forbes, February 2022.

## Become an intelligent, sustainable enterprise in the cloud

The ones that thrive are the ones that will start the change now. To drive business innovation, you need to develop new business models to avoid disruption in your industry, drive new operational efficiencies to reinvest in your growth, and modernize your mission-critical systems without business risk. RISE with SAP is a comprehensive solution to help you become an intelligent, sustainable enterprise in the cloud.

**ACCELERATE YOUR PROGRESS**

With tailored insight on where to automate business processes with AI

Eliminate the risk of implementing siloed experience and process excellence initiatives by designing, visualizing, and managing a **single source of process truth** for collaboration and continuous process transformation.

RISE with SAP is a comprehensive solution to help you become an intelligent, sustainable enterprise in the cloud.

### SHARPEN PROCESS PERFORMANCE

Based on actual system usage, best practices, and industry benchmarking

Get in-depth information on expected performance and discover bottlenecks with **end-to-end business process simulation** by calculating cycle times, resources, and costs through testing simulation scenarios

#### CLOUD ERP

- Leverage best-practice business processes with SAP S/4HANA® Cloud
- Innovate with built-in intelligent technologies, including artificial intelligence (AI), machine learning, and advanced analytics
- Benefit from tight, native integration between processes, industry depth, and a consistent in-memory data model

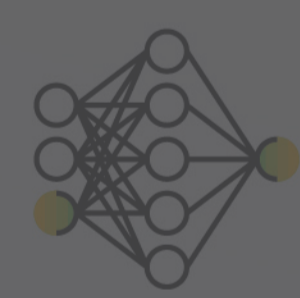

#### OUTCOME-DRIVEN SERVICES AND TOOLS

- Use services and tools offered by SAP and the partner ecosystem to enable your business innovation journey
- Check the readiness of your processes and get technical guidance on moving to SAP S/4HANA Cloud
- Analyze custom code and add-on compatibility

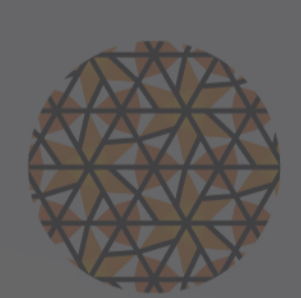

#### BUSINESS PROCESS INTELLIGENCE

- Get tailored recommendations for tangible process improvements
- Run business profitably by removing process inefficiencies
- Reduce process variations and manual work
- Simulate processes for alternative business scenarios

#### BUSINESS PLATFORM AND ANALYTICS

- Migrate and maintain relevant master data and keep the core clean
- Optimize, extend, and automate processes
- Deploy intelligent technologies and predictive analytics to generate differentiated business

#### BUSINESS NETWORKS

- Collaborate between manufacturers, dealers, and service providers
- Build a resilient supply base with access to the world's largest supplier network
- Collaborate with logistics partners to manage freight transactions and exchange documents
